India's missing children:

The story WhatsApp forwards don't tell you

- Some 174 children go missing every day. Only about 50% of them are ever found again. But the story behind these statistics is complex – thehindu.com
- With 60,000 children going missing in India every year, social media has propelled child lifting fear – Hindustan Times
- India sees sharp spike in missing kids cases in last 2 years – Deccan Herald
